

**This IS NOT A LIST OF ERRORS/WARNINGS for your district. To prepare a report listing all errors/warnings for your district select the "Report", pull down menu with the "Remaining Errors/Warnings" option.**

Purpose: This is a list of ALL "Edit Checks" that are made to the CDIF and SIF data. It contains detailed information about how each "Edit Check" is done.

Please note the two types of "Edit Checks", (1) Errors - which must be resolved before the data may be submitted and (2) Warnings - which should be reviewed and corrected if necessary, but will not prevent submission of data

Code	Description
<b>CDIF- 001</b>	<b>Error - Invalid CDS Code</b> This is not a valid County District School (CDS) code. Please call the CDS Administrator at (916) 327-4014 to obtain a valid code.
<b>CDIF- 002</b>	<b>Error - Duplicate record</b> There are two or more records in the file for the same district/county office. Please make appropriate corrections to create a single record for this site.
<b>CDIF- 003</b>	<b>Error - Non-numeric data</b> Letters or other characters have been entered in spaces where only numbers are allowed. Please delete the characters and enter only numeric data.
<b>CDIF- 004</b>	<b>Warning - Classified staff all American Indian/Alaska Native</b> All classified staff are reported under the racial/ethnic designation "American Indian/Alaska Native" (Section A). It is likely that the total number of classified staff was entered in the first column of each gender, rather than entered separately by racial/ethnic designation. Please check that you have entered the number of classified staff correctly.
<b>CDIF- 005</b>	<b>Error - Elementary District with Adult Education Staff (include 52)</b> An elementary school district has entered data into Adult Education (Section C).
<b>CDIF- 006</b>	<b>Warning - Service learning missing or invalid (exclude DOC 52)</b> A school district has not indicated with "Yes" or "No" if the district has a school board policy that provides opportunities such that all students will participate in Service-Learning.
<b>CDIF- 007</b>	<b>Warning - Community Service missing or invalid (exclude DOC 52)</b> A school district has not indicated with "Yes" or "No" if the district has a school board policy that provides opportunities such that all students will participate in Community Service.
<b>CDIF- 008</b>	<b>Error - No high school graduation requirements (only DOC 54, 56)</b> No High School Graduation Requirements (Section F.) were entered into the subject areas.
<b>CDIF- 009</b>	<b>Error - No entry for Number of units in 1-year course (only DOC 54,56)</b> No entry was made in the Number of Units in One Year Course (Section F line 14) .
<b>CDIF- 010</b>	<b>Error - Total Graduation Rqmts not equal to total needed for graduation</b> The total number units summed by subject area is not equal to the "Total units needed for graduation."
<b>CDIF- 011</b>	<b>Error - Non-high school or unified district with graduation rqmts (DOC 52)</b> A non-high school/unified district has entered data into the Graduation Requirements section (Section F).
<b>CDIF- 012</b>	<b>Error - High school grad rqmts &gt; 4 years</b> When the number of units (by subject area) are divided by the number of units in a one year course, the number of years to complete the requirement is more than 4 years (excluding "Other requirements" and "Electives").

Code	Description
<b>CDIF- 013</b>	<b>Error - Total of specific math rqmts &gt; math rqmts</b> The specific mathematics graduation requirements ("Algebra I or Integrated Mathematics I", "Geometry or Integrated Mathematics II", "Algebra II or Integrated Mathematics III", and "Probability and Statistics or Data Analysis") is more than the "General" Mathematics graduation requirement.
<b>CDIF- 014</b>	<b>Error - Total of specific science rqmts &gt; science rqmts</b> The specific science graduation requirements (Laboratory Science ) is more than the "General" Science graduation requirement.
<b>CDIF- 015</b>	<b>Error - Single school district with classified staff on CDIF</b> Single school districts should only report classified staff (CDIF Section A . rows 1 - 6) on the School Information Form (SIF Section A. Rows 1-6).
<b>CDIF- 016</b>	<b>Warning - CDIF Classified Staff Matches SIF Classified Staff</b> Your district's classified staff (Section A. Rows 1-6) reported on the County District Information Form (CDIF) equals the sum of the total number of classified staff reported on the School Information Forms (SIF). Each row (classification ) and column (gender and ethnic designation) count matches exactly. This usually means that all classified staff working at school sites have been added up and reported on the CDIF form.  On the CDIF, only report the classified staff assigned to the district office, or county office of education. Do not use this section to total the classified staff for your entire district or county. Classified staff at school sites should be reported on the appropriate SIF form. If staff serve at more than one school, they should be reported only once and at the school where they serve a majority of their time. Do not included ROP, preschool, or adult education classified employees.  Single school districts should report all classified staff on the SIF.
<b>CDIF- 017</b>	<b>Error - No data entered on CDIF</b> No data has been entered for the County/District Information Form (CDIF) . Please ensure that Section D. (Service Learning/Community Service), Section E. (Teacher Shortage and Demand), contact, and phone number have been entered on the CDIF.
<b>CDIF- 018</b>	<b>Error - Paraprofessionals from CDIF &gt; Paraprofessionals from All SIFS</b> Your district's paraprofessional staff (Section A. Rows 1-2) reported on the County District Information Form (CDIF) is larger than the sum of the total number of paraprofessional staff reported on the School Information Forms (SIF). This usually mean that all paraprofessional staff working at school sites have been added up and reported on the CDIF form along with paraprofessional staff that work at the district or county office.  On the CDIF, only report the classified staff assigned to the district office, or county office of education. Do not use this section to total the classified staff for your entire district or county. Classified staff at school sites should be reported on the appropriate SIF. If staff serve at more than one school, they should be reported only once and at the school where they serve a majority of their time. Do not included ROP, preschool, or adult education classified employees.  Single school districts should report all classified staff on the School Information Form (SIF).
<b>CDIF- 019</b>	<b>Warning - Significant Change in classified staff on CDIF/SIFs from previous year</b> Your district's total classified staff (Section A, Rows 1-6) on the SIF(s) and CDIF combined have either increased or decreased dramatically from last year's classified staff counts. Please check that you have entered the number of classified staff correctly. Do not include ROP, preschool, or adult education classified employees.  The following "triggers" have been used to identify significant classified staff changes: districts with 0-50 classified staff that changed by 75%; districts with 51-200 classified staff that changed by 50%; districts with 201-500 classified staff that

<b>SIF - A.02</b>	<p><b>Warning - Significant change in classified staff from previous year</b></p> <p>The school's classified staff (Section A) either increased or decreased dramatically from last year's classified staff counts. Please check that you have entered this year's enrollment correctly.</p> <p>The following "triggers" have been used to identify significant changes in classified staff: schools with total enrollment of 11 to 25 that have changed by 100% or more; schools with enrollment of 26 or more that have changed by 50% or more. If the amount of change in percent of classified staff is less than or equal to the percent change in enrollment, then the warning is not triggered.</p>

Code	Description
------	-------------

Exclude schools with no classified staff in the previous year or total enrollment of 10 or less.

>>> Formula

Percent change Classified Staff = [(Current year's classified staff - Last year's classified staff) / Last year's classified staff] X 100

Percent change Enrollment = [(Current year's enrollment - Last year's enrollment) / Last year's enrollment] X 100

**SIF - B.01 Error - No enrollment**

No enrollment has been entered on any lines in Section B. Each school must have enrollment. Please enter enrollment data by grade level, gender, and racial/ethnic designation.

**SIF - B.02 Warning - Enrollment is all one gender**

The school's total enrollment (Section B) is one gender, which is unlikely. Please check that you have entered this year's enrollment by gender and racial/ethnic designation.

>>>Notes:

Exclude Juvenile Hall/court schools (SOC 14)

**SIF - B.03 Warning - Enrollment all in "American Indian/Alaska Native" column**

All students are reported under the racial/ethnic designation "American Indian/Alaska Native" (Section B.). It is likely that the total number of students was entered in the first column of each gender, rather than entered separately by racial/ethnic designation. Please check that you have entered the enrollment correctly.

**SIF - B.04 Warning - Enrollment all in "Multiple or no response" column**

The school has at least 500 students and all students are recorded under the "Multiple or no response" column (Section B). It is likely that the total number of students was entered in the last column of each gender, rather than entered separately by racial/ethnic designation. Please check that you have entered the enrollment correctly.

**SIF - B.05 Warning - Elem/Middle school with enroll in grades 9-12 or "Ungr. Sec."**

This school is identified in our records as an elementary school (SOC 60, 61) or middle school (SOC 62), but enrollment has been reported in grades 9-12 or in "Ungraded Secondary" (Section B. Rows 17-21). Please check that you have entered the enrollment correctly.

**SIF - B.06 Warning - Enrollment total in grades K-8 equals "Ungraded Elementary"**

The sum of enrollment in grades K-8 (Section B. Rows 7-15) is equal to the enrollment on the "Ungraded Elementary" row (Row 16). The ungraded line may have been used for a subtotal. The ungraded line should only be used for students in an ungraded program or for Special Day classes. Please check that you have entered the enrollment correctly.

**SIF - B.07 Warning - High school with enrollment in K-6 or "Ungraded Elementary"**

The school is identified in our records as a high school (SOC 66,67) or continuation high school (SOC 68), but enrollment has been reported in grades K-6 or in "Ungraded Elementary" (Section B. Rows 7-16). Please check that you have entered the enrollment correctly.

**SIF - B.08 Warning - Enrollment totals in K-12 equals "Ungr Sec" OR "Adults in K-12"**

The sum of enrollment in grades K-12 (Section B, Rows 7-20) is equal to the enrollment on the "Ungraded Secondary" or in the "Adults in K-12 Programs" line (Row 21 or 22). The ungraded line may have been used for a subtotal. The ungraded line should only be used for students in an ungraded program or for Special Day classes. Any adults included should only be those enrolled in a K-12 program leading to a regular high school diploma, and funded at the K-12 level. Please check that you have entered the enrollment correctly.

**SIF - B.09 Warning - Significant change in enrollment from previous year**

The school's enrollment (Section B, Rows 7 - 21) has either increased or decreased dramatically from last year's enrollment. Please check that you have entered this year's enrollment correctly.

The following "triggers" have been used to identify significant enrollment changes: schools with 1-200 students that changed by 200% ; schools with 201-500 students that changed by 100%; schools with 501-1,000 students that changed by 75%; schools with 1,001 + students that have changed by 50%.

Exclude schools with no enrollment in the previous year.

>>>Formulas:

Percent Change = [(Current Year Enroll - Last Year Enroll) / Last Year Enroll] x 100

**SIF - B.10 Warning - Significant number of "Adults in K-12 Programs"**

The school's enrollment includes more students than expected in the "Adults in K-12 Programs" line (Section B, Row 22). Students reported on this line must be 21 years or older and enrolled in a program leading to a regular high school diploma. The district should be receiving K-12 funding for these students. This line should not include adults in independent study. Please check that the line has been completed correctly.

The following "triggers" have been used to identify schools for this warning:

(1) special education (SOC 09), juvenile hall/court (SOC 14), elementary (SOC 60, 61), middle (SOC 62), or junior high schools (SOC 64) with any adults enrolled;

(2) and alternative (SOC 63), K-12 schools (SOC 65), high schools (SOC 66, 67), continuation high schools (SOC 68), county community schools (SOC 10), opportunity schools (SOC 13), or community day schools (SOC 69) that meet the following criteria:

- 10-20 adult enrollment this year and no adult enrollment in the previous year
- 21-50 adult enrollment this year and no adult enrollment in the previous year or 100% or greater increase
- 51-499 adult enrollment this year and no adult enrollment in the previous year or 20% or greater increase
- 500 or more adult enrollment this year

**SIF - B.11 Warning - Significant change in enrollment in a grade**

The school's enrollment (Section B) has either increased or decreased dramatically from last year's enrollment for a particular grade. Please check that you have entered this year's enrollment correctly.

The following "triggers" have been used to identify significant enrollment changes:

Schools with 10-50 students in a grade level that changed by 75% or more; schools with 51 or more students in a grade level that changed by 50% or more.

Note: Enrollment by grade is compared with previous year's grade. For example, current grade 1 enrollment is compared with previous year's kindergarten enrollment. Ungraded elementary, ungraded secondary, and adults in K-12 programs are compared with the same categories from the previous year.

Exclude schools with no enrollment in the previous year.

<b>SIF - C.01</b>	<b>Warning - More graduates than students in grade 12 from previous year</b> The number of high school graduates (Section C, Row 24) for a specific gender and racial/ethnic designation is more than 20% larger than the number of 12th graders from the previous year (Section B, Row 20-previous year's SIF) for the same gender and racial/ethnic designation. Please verify that the number of graduates for this gender and ethnic designation is correct.
<b>SIF - C.02</b>	<b>Warning - No graduates with enrollment in grade 12 last year</b> This high school had enrollment in 12th grade last year (Section B, Row 20 -1998), but this year no graduates are reported (Section C, Row 24). Please check that you have entered the graduate data correctly.  >>>Notes: Include High schools (SOC 66) or High schools in single school districts (SOC 67).
<b>SIF - C.03</b>	<b>Warning - Graduates all in "American Indian/Alaska Native" column</b> All high school graduates are recorded under the racial/ethnic designation "American Indian/Alaska Native" (Section C, Row 24). It is likely that the total number of graduates was entered in the first column, rather than entered separately by racial/ethnic designation. Please check that you have entered the graduate data correctly.
<b>SIF - C.04</b>	<b>Warning - Graduates all in "Multiple or no response" column</b> This school has at least 100 high school graduates who are reported under the "Multiple or no response" column (Section C, Row 24). It is likely that the total number of graduates was entered in the last column rather than entered separately by racial/ethnic designation. Please check that you have entered the graduate data correctly.
<b>SIF - C.05</b>	<b>Warning - High school with no graduates completing UC/CSU courses</b> This comprehensive high school (SOC 66, 67) has at least 50 high school graduates (Section C, Row 24), but did not enter any graduates as completing all courses required for UC/CSU entrance (Row 25). Please check that you have entered the data correctly.
<b>SIF - C.06</b>	<b>Error - Total graduates completing UC/CSU &gt; total high school graduates</b> The number of high school graduates completing all courses required for UC/CSU entrance (Section C, Row 25) for a specific gender and racial/ethnic designation is greater than the number of high school graduates (Row 24) for the same gender and racial/ethnic designation. This is not possible since a graduate who completed all course requirements for UC/CSU entrance must also be a high school graduate. Please make appropriate corrections to either the number of high school graduates completing all courses required for UC/CSU entrance, or to the number of high school graduates.
<b>SIF - C.07</b>	<b>Error - Total graduates completing Voc Ed &gt; total high school graduates</b> The number of high school graduates completing a vocational education sequence of courses (Section C, Row 26) for a specific gender and racial/ethnic designation is greater than the number of high school graduates (Row 24) for the same gender and racial/ethnic designation. This is not possible since a graduate completing a vocational education sequence of courses must also be a high school graduate. Please make appropriate corrections to either the number of high school graduates completing a vocational education sequence of courses, or to the number of high school graduates.  For example: 3 Female Pacific Islander students are shown in Row 26, Column K, and only 2 Female Pacific Islander students are shown in Row 24, Column K.
<b>SIF - C.08</b>	<b>Warning - Significant change in percent of graduates</b> The percentage of high school graduates has either increased or decreased by 25 percentage points from last year (Section C, Row 24). Please check that you have entered the graduate data correctly. (SOC 66, 67)  >> Formula This year's percent of graduates = (Total grads this year / Total 12th grade enrollment previous year) X 100 Last year's percent of graduates = (Total grads last year / Total 12th grade enrollment from 2 years ago ) X 100

	Exclude schools with no graduates in either of the previous two years.
<b>SIF - C.09</b>	<b>Warning - Significant change in % of graduates completing UC/CSU req .</b> The percent of high school graduates completing all courses required for UC/CSU entrance has either increased or decreased by 25 or more points from last year's percent (Section C, Row 25). Please check that you have entered the graduate data correctly.  >>>Formulas: This year's % = ( UC/CSU graduates current year / Total graduates current year ) x 100 Last year's % = ( UC/CSU graduates previous year / Total graduates previous year ) x 100 Change = This year's % - Last year's %  Exclude schools with less than 20 graduates in the current year or less than 20 graduates in the previous year.
<b>SIF - D.01</b>	<b>Warning - High school with no enrollment in selected courses</b> This comprehensive high school (SOC 66, 67) did not enter any students as enrolled in 3rd or 4th year intermediate algebra, advanced math, 1st year chemistry, or 1st year physics courses (Section D, Rows 27-30). Please check that you have entered the data correctly.
<b>SIF - D.02</b>	<b>Error - Selected Courses enroll&gt; 7-12 or "Ungr. Sec" enroll (by ethnic/gender)</b> This school has entered selected courses enrollment for grades 7-12, for a specific gender and racial/ethnic designation (Section D, Rows 27 - 30) which is greater than enrollment in any of grades 7-12 or "Ungraded Secondary" (Section B. Rows 17 - 21) for the same gender and racial/ethnic designation. Please check that you have entered the data correctly.  For example: 5 male Filipino students are shown in Row 28, Column D (3rd or 4th year math), and only 1 male Filipino student is shown in Rows 17-21, Column D.
<b>SIF - E.01</b>	<b>Warning - High school with no enrollment in vocational education</b> This comprehensive high school (SOC 66, 67) did not enter any students as enrolled in vocational education courses (Section E). Please check that you have entered the data correctly.  Exclude schools with no enrollment in vocational education in the previous year.
<b>SIF - E.02</b>	<b>Error - Voc Ed enroll &gt; 9-12 or "Ungr. Sec." enroll (by ethnic/gender)</b> This school has entered vocational education enrollment for grades 9-12 (Section E. Row 31) , for a specific gender and racial/ethnic designation which is greater than enrollment in any of grades 9-12 or "Ungraded Secondary" (Section B. Rows 17 - 21) for the same gender and racial/ethnic designation. Please check that you have entered the data correctly.  For example: 8 female Asian students are shown in Row 31, Column J, and only 3 female Asian students are shown in Row 18, Column J.
<b>SIF - E.03</b>	<b>Warning - Significant change in percent of enroll in vocational education</b> The percent of the school's enrollment in vocational education courses has either increased or decreased by 50 or more points from last year's percent. Exclude schools with either: (1) no vocational education enrollment in the previous year or; (2) less than 200 9-12 enrollment in the current year or previous year.

**SIF - F.01 Warning - No dropouts for school with enrollment in grades 9-12**

This high school (SOC 66, 67), continuation (SOC 68), alternative (SOC 63) or community day school (SOC 69), has an enrollment of 100 or more students in grades 9-12 and "Ungraded Secondary" (Section B, Rows 17-21), and no dropouts in grades 9-12 (Section F, Rows 34-37). Please check that you have entered the dropout data correctly.

Exclude schools with no dropouts in the previous year.

**SIF - F.02 Error - Dropouts in grades 9-12 for elementary or middle school**

This is an elementary (SOC 60, 61) or middle school (SOC 62) with no enrollment in grades 9-12 or "Ungraded Secondary" (Section B) last year and with dropouts entered in grades 9-12 (Section F, Rows 34 - 37), or a junior high school (SOC 64) with no enrollment in grades 10-12 or "Ungraded Secondary" (Section B) last year and with dropouts entered in grades 10-12 (Section F, Rows 35-37). Please check that you have entered the dropout data correctly.

**SIF - F.03 Warning - Dropouts in grades 9-12 and no 9-12 enrollment last year**

This continuation (SOC 68), alternative (SOC 63), or high school (SOC 66, 67) entered dropouts for grades 9-12 (Section F, Rows 34-37) but had no enrollment in grades 9-12 or "Ungraded Secondary" in last year's CBEDS (Section B, 1997). Dropouts must be reported at the school which they last attended; therefore correcting this error may require that you move these dropouts to another school. Please check that you have entered the dropout data correctly.

**SIF - F.04 Warning - Significant change in dropout rate and number of dropouts**

The school's dropout rate and the number of dropouts either increased or decreased dramatically from last year's number of dropouts (Section F, Rows 32-37). Please check that you have entered the dropout data correctly.

>>>>Formula:

Dropout rate = (This year's dropouts from grades 7-12 / last year's total enrollment in grades 7-12 and "Ungraded Secondary") x 100

The following "triggers" have been used to identify significant changes in the dropout rate: special education (SOC 09) > 1.9%; juvenile hall/court (SOC 14) > 12%; elementary (SOC 60) > 2%; elementary in a one school district (SOC 61) > 1%; middle (SOC 62) > 4%; alternative (SOC 63) > 20%; junior high (SOC 64) > 3%; K-12 schools (SOC 65) > 4%; high school (SOC 66) > 8%; high schools in a one school district (SOC 67) > 5%; and continuation high schools (SOC 68) > 30%.

>>>>Formula:

Percent Change in number of dropouts = [(Current Year Dropouts - Last Year Dropouts) / Last Year Dropouts] x 100

The following "triggers" have been used to identify significant changes in the number of dropouts: schools with 1-200 students that changed by 200%; schools with 201-500 students that changed by 100%; schools with 501-1,000 students that changed by 75%; and schools with 1,001 + students that changed by 50%.

<b>SIF - G.03</b>	<b>Error - Alternative Education enroll for K-8 or 9-12 exceeds enroll in Sec B</b> Alternative Education enrollment for K-8 or 9-12 (Section G, Rows 1-7) reported exceeds the total K-8 or 9-12 enrollment reported under School Enrollment (Section B, Rows 7-20). Please check that you have entered the correct data in both Section G and Section B.
<b>SIF - G.04</b>	<b>Error - Independent Study grads reported for elem/middle, or special ed school</b> Graduates meeting high school requirements through Independent Study (Section G, Row 8) have been reported for an elementary school (SOC 60, 61), middle school (SOC 62), junior high school (SOC 64), or special education school (SOC 09). Please check that you have entered the data correctly.
<b>SIF - G.05</b>	<b>Warning - Independent Study grads significantly exceed prior year's Indep Study</b> The number of graduates meeting high school requirements through Independent Study (Section G, Row 8) has increased by more than 75 from the number of Independent Study enrollment reported in the previous year. Please check that you have entered the data correctly.  Exclude: Elementary school (SOC 60, 61), middle school (SOC 62), junior high school (SOC 64), or special education school (SOC 09).
<b>SIF - G.06</b>	<b>Warning - Significant changes in Alternative Education students</b> The school's Alternative education student enrollment (Section G, Rows 1-78) has either increased or decreased significantly from last year's Alternative Education enrollment counts. Please check that you have entered the number of Alternative Education Students correctly.  The following "triggers" have been used to identify significant changes in Alternative Education enrollment: Schools with 10-200 Alternative Education students that changed by at least 200%; schools with 201-500 Alternative Education students that changed by at least 100%; schools with 501-1,000 Alternative Education students that changed by at least 75%; and schools with 1,001+ students that changed by at least 50%.
